

Boilermaker Apprenticeship – Mulgrave Mill (Re-advertised) Gordonvale Qld 4865

MSF Sugar Pty Ltd is an integrated grower, processor, marketer and exporter of raw sugar. We are Australia's largest sugarcane farmer, second largest raw sugar exporter and third largest miller. MSF Sugar has a 124 year heritage in Australia and a future which centres on being a leader in the biofutures sector.

MSF Sugar currently has an exciting opportunity for someone wanting to start a career in Engineering Fabrication. Located at our Mulgrave Mill site in Gordonvale, approximately 20kms south of Cairns, this four year apprenticeship will involve learning all aspects of steel fabrication, making you a qualified Boilermaker once completed.

The position will involve learning all aspects of structural steel fabrication including:

- Marking out
- Steel cutting
- Welding and sheet metal work
- Metal fabrication
- Onsite installation
- Operating power and hand tools

To be successful in this role you will need to demonstrate the following skills and attributes:

- Be reliable and motivated
- Enjoy hands on, manual work
- Strong communication and interpersonal skills
- Ability to work in a team environment
- Excellent attention to detail

We offer a supportive and positive team environment.

Applications should be emailed to: careers@msfsugar.com.au

Applications close on 23rd February 2018.
