

**Boilermakers and Mechanical Fitters
Short-term Contracts
Mulgrave and South Johnstone Mills**

MSF Sugar Pty Ltd is an integrated grower, processor, marketer and exporter of raw sugar. We are Australia's largest sugarcane farmer, second largest raw sugar exporter and third largest miller. MSF Sugar has a 124 year heritage in Australia and a future which centres on being an efficient, reliable, high quality supplier of sugar to international markets.

MSF Sugar is currently seeking expressions of interest from qualified Boilermakers and Mechanical Fitters for short term contracts during our 2018 maintenance season at our Mulgrave and South Johnstone Mill sites.

Mulgrave Mill is located in Gordonvale, approximately 20kms south of Cairns and South Johnstone Mill is approximately 10km west of Innisfail.

Forming part of the maintenance team within the factory, successful applicants will be responsible for contributing towards scheduled maintenance works, in preparation for the 2018 crushing season.

Applicants will need to demonstrate ability in the following areas:

- Trade qualifications as Boilermaker or Mechanical Fitter
- Safety focused
- Strong communication and interpersonal skills
- Self-motivated
- Ability to work in a team environment
- Experience in the process of Mills is preferred but not essential

This is a great opportunity for self-motivated and experienced persons, who have good communication skills and enjoy achieving team goals.

We offer a supportive and positive team environment and this is an exciting opportunity to be part of a major player in Australian agribusiness.

Applicants will be required to undergo pre-employment medical and drug and alcohol testing.

To apply, please email your up to date resume and copies of your certificates to:
