

**Technical Officer – Boilermaker/ Fitter & Turner
Tableland Mill
Mareeba Qld 4880**

MSF Sugar Pty Ltd is an integrated grower, processor, marketer and exporter of raw sugar. We are Australia's largest sugarcane farmer, second largest raw sugar exporter and third largest miller. MSF Sugar has a 124 year heritage in Australia and a future which centres on being an efficient, reliable, high quality supplier of sugar to international markets.

This position is located at our Tableland Mill, approximately 25km west of Mareeba on the Atherton Tablelands. While a dual trade qualified Technical Officer would be highly regarded, this is not essential.

Reporting directly to the Shift Team Leader a Technical Officer at Tableland Mill is responsible for:

- General fabrication and repairs of plant and equipment as required
- Carrying out preventative maintenance checks on plant and equipment
- Safely carrying out all shift duties that are required to maintain smooth operation of the factory
- Operating plant and equipment from a control room environment

Ideally, the successful candidates will have:

- Trade qualification/s
- Current drivers licence
- Commitment to safe working practices
- Basic computer skills
- Any tickets such as crane, boiler tickets etc will be highly regarded
- Ability to work shift work
- Previous experience with operating a plant or part of a process (highly regarded)
- Willingness to cross train in control room operations (highly regarded)

This is an outstanding opportunity for self-motivated and experienced persons, who have good communication skills and enjoy achieving team goals.

We offer a supportive and positive team environment and an attractive remuneration package, commensurate with skills and experience. This is an exciting opportunity to be part of a major player in Australian agribusiness.
