

## **Technical Officer - Electrical Tableland Mill**

MSF Sugar Pty Ltd is an integrated grower, processor, marketer and exporter of raw sugar. We are Australia's largest sugarcane farmer, second largest raw sugar exporter and third largest miller. MSF Sugar has a 124 year heritage in Australia and a future which centres on being an efficient, reliable, high quality supplier of sugar to international markets.

MSF Sugar is currently seeking expressions of interest from qualified Electrical Tradespersons for full time permanent positions at our Tableland Mill site, approximately 25km west of Mareeba.

Reporting directly to the Electrical Supervisor the Electrical Tradesperson will be qualified as an electrical fitter/ mechanic and must possess a current Qld Electrical Workers' License. Sugar Mill or other industrial experience would be well regarded; however qualified electrical trade persons with other experience should also apply.

To be successful in this role you will need to demonstrate the following skills and attributes:

- Safety focused
- Qualified Electrical Fitter/ Mechanic and must possess a current Qld Electrical Workers' License
- Strong communication and interpersonal skills
- Self-motivated
- Ability to work in a team environment
- Instrumentation and control system experience will be highly regarded

As our operation is continuous 24/7, during the crushing season, you will need to ensure you are available to work all hours required on a rostered, rotational basis.

This is an outstanding opportunity for a self-motivated and experienced tradespersons, who have good communication skills and enjoy achieving team goals.

We offer a supportive and positive team environment and this is an exciting opportunity to be part of a major player in Australian agribusiness.

To apply, please email your up to date resume and copies of all your certificates to:
