

MSF Sugar Pty Ltd is an integrated grower, processor, marketer and exporter of raw sugar. We are Australia's largest sugarcane farmer, second largest raw sugar exporter and third largest miller. MSF Sugar has a 124 year heritage in Australia and a future which centres on being an efficient, reliable, high quality supplier of sugar to international markets.

Track Engineer - Gordonvale QLD 4865

We have an exciting opportunity for a Track Engineer, located at our Mulgrave Mill (Gordonvale) site, approximately 20km south of Cairns.

The Track Engineer is responsible for developing and implementing works programs across the Mulgrave cane railway network and providing direct leadership to the Mulgrave Cane Rail Maintenance team.

We are looking for someone who is tertiary qualified in civil or mechanical engineering, with a thorough understanding of WHS practices. To succeed in this role you will also have excellent planning, analytical and problem solving skills and high level negotiation and communication skills.

MSF Sugar offers a supportive and positive team environment. This is an exciting opportunity to be part of a major player in Australian agribusiness.
