

MSF Sugar Pty Ltd is an integrated grower, processor, marketer and exporter of raw sugar. We are Australia's largest sugarcane farmer, second largest raw sugar exporter and third largest miller. MSF Sugar has a 124 year heritage in Australia and a future which centres on being an efficient, reliable, high quality supplier of sugar to international markets.

## ***Seasonal Employment Opportunities*** ***South Johnstone Mill (Production)***

MSF Sugar employs additional staff on a seasonal basis each year to assist our operations during the cane crushing season. Seasonal employees will usually be contracted from June to December, depending on operational requirements. These are seasonal positions, located at our South Johnstone Mill, which is approximately 10km west of Innisfail.

Seasonal positions on offer for the 2019 crushing season include:

- Assistant Sugar Boiler
- Cleaner / Greaser
- Cush Cush
- Effet Operator
- Empty Yard Attendant
- Fibre Chemist
- Fugal Operator
- Full Yard Attendant
- Laboratory Analyst
- Shift Diesel Fitter - Locos
- Shift Electrician
- Shift Fitter
- Spareman

As our operations are continuous (24/7), most seasonal positions involve shift work. Before submitting your application, you will need to ensure you are available to work all hours required on a rostered, rotational basis.

MSF Sugar offers a supportive and positive team environment. This is an exciting opportunity to be part of a major player in Australian agribusiness.

Applicants may be required to undergo pre-employment medical and drug and alcohol testing.

To allow the selection panel to easily differentiate which position(s) you are applying for, please include a cover letter with your application advising of the position(s).

Further details can be found on our website or by contacting:
