

MSF Sugar Pty Ltd is an integrated grower, processor, marketer and exporter of raw sugar. We are Australia's largest sugarcane farmer, second largest raw sugar exporter and third largest miller. MSF Sugar has a 124 year heritage in Australia and a future which centres on being an efficient, reliable, high quality supplier of sugar to international markets.

### ***Mechanical Tradesperson - Rollingstock Mulgrave Mill***

Applications are invited for the position of Mechanical Tradesperson - Rollingstock to join the MSF Sugar team. This is a fulltime position, located at our Mulgrave Mill, which is approximately 20km south of Cairns.

This role is key to the reliability and availability for Locomotives during the crushing season (June to December) and forms part of the Rollingstock maintenance team. You will be responsible for the ongoing maintenance, servicing, repairs and modifications on all Locomotives including engines, transmissions, final drives, hydraulics, pneumatics and 12/24V electrics.

The position requires shift work/weekend work and call outs during the crushing season dependent on the needs of the company and may change from time to time.

You could be suitable if you:

- Have a Certificate III Mechanical trade.
- Are motivated and have a continuous improvement nature.
- Good fault finding processes and decision making.
- Experience with heavy industrial/diesel.
- Understand the importance of working safely and setting a good example.
- Ability to work autonomously and within a team.

MSF Sugar offers a supportive and positive team environment. This is an exciting opportunity to be part of a major player in Australian agribusiness.

Applicants may be required to undergo pre-employment medical and drug and alcohol testing.
