

MSF Sugar Pty Ltd is an integrated grower, processor, marketer and exporter of raw sugar. We are Australia's largest sugarcane farmer, second largest raw sugar exporter and third largest miller. MSF Sugar has a 124 year heritage in Australia and a future which centres on being an efficient, reliable, high quality supplier of sugar to international markets.

Diesel Fitter – Locos South Johnstone Mill

Applications are invited for the seasonal position of Diesel Fitter to join the MSF Sugar team. This is a seasonal position, located at our South Johnstone Mill, which is approximately 10km west of Innisfail.

Forming part of the locomotive maintenance team, you will be responsible for:

- Fault finding on locomotives, rolling stock and various other plant and equipment;
- Installation and servicing, component changes and repairs to systems and equipment; and
- Fault finding and repairs to hydraulic and pneumatics systems.

To be considered for this role you will have:

- Trade Qualification in Diesel Fitting
- Good commitment to safe working practices
- A great work ethic and strong attention to detail
- A positive attitude and a team player
- Ability to work on a rotating 8 hour roster

MSF Sugar offers a supportive and positive team environment. This is an exciting opportunity to be part of a major player in Australian agribusiness.

Applicants may be required to undergo pre-employment medical and drug and alcohol testing.
