

MSF Sugar Pty Ltd is an integrated grower, processor, marketer and exporter of raw sugar. We are Australia's largest sugarcane farmer, second largest raw sugar exporter and third largest miller. MSF Sugar has a 124 year heritage in Australia and a future which centres on being an efficient, reliable, high quality supplier of sugar to international markets.

2nd Year Electrical Apprentice ***Mulgrave Mill***

Applications are invited for the position of 2nd Year Electrical Apprentice to join the MSF Sugar team located at our Mulgrave Mill, which is approximately 20km south of Cairns. Employment will commence as soon as possible.

As an Apprentice Electrician you will learn how to install and maintain electrical equipment across all aspects of a Sugar Mill. In addition, you will have the opportunity to learn how to install wiring and equipment pertaining to Cane Rail Traffic Lights and a fleet of Loco's.

Entry Requirement: To apply, you must have completed your 1st Year of Certificate III in Electro technology.

The following competencies are also required:

- Completed Year 12 and passed Maths A, B or C, English or English Communications and a Science subject; or
- Completed equivalent pre-vocational studies including a Certificate II in Electro technology, or relevant work experience.

A suitable candidate will possess the following personal attributes:

- Self-motivated with initiative to achieve excellence in work and study.
- Desire to develop your current knowledge and experience as well as strengths and goals.
- Understand the importance of working safely and setting a good example.
- Enthusiastic about becoming a valued team member.

MSF Sugar offers a supportive and positive team environment. This is an exciting opportunity to be part of a major player in Australian agribusiness.

Applicants will be required to undergo pre-employment medical and drug and alcohol testing.
