

General Mill Worker – Cane Rail South Johnstone Mill

MSF Sugar is currently seeking applications for a General Mill Worker – Cane Rail for a fixed term position at our South Johnstone Mill, located 10km outside of Innisfail.

This position reports to the Cane Rail Supervisor and role is responsible for maintaining and repairing various elements of the Cane Rail infrastructure and network surrounding the South Johnstone Mill in relation to capital projects.

Applicants will need to demonstrate ability in the following areas:

- Work autonomously or as part of a team.
- Self-motivated and demonstrate problem solving abilities
- Demonstrated safety culture.
- Work area is predominately in the Cane Rail maintenance, but not limited to this area.

For an applicant to be successful in the role, they will need to have the following key skills & experience

- Crane ticket
- Dogger ticket
- Current class 'c' driver's license
- HR Truck Licence
- Front end loader ticket
- The successful applicant will be required to either have or have the ability to obtain a number of other high-risk licenses, including but not limited to confined space.

This is a great opportunity for self-motivated and experienced individual, who has a strong safety focus and enjoys work with achieving team goals.
