

MSF Sugar Pty Ltd is an integrated grower, processor, marketer and exporter of raw sugar. We are Australia's largest sugarcane farmer, second largest raw sugar exporter and third largest miller. MSF Sugar has a 124 year heritage in Australia and a future which centres on being an efficient, reliable, high quality supplier of sugar to international markets.

Laboratory Analyst

Applications are invited for the position of Laboratory Analyst to join the MSF Sugar team. This is a fixed-term position, located at our Tableland Mill, which is approximately 25km west of Mareeba on the Atherton Tablelands.

The Laboratory Analyst is responsible for the safe, efficient and effective operation of factory laboratory equipment and machinery to conform to program provisions.

This position is a shift position and involves carrying out cane analysis for cane payment, sugar analysis for factory control and some water testing for the co-generation plant and associated plant to ensure water quality is within the desired specifications.

MSF Sugar offers a supportive and positive team environment. This is an exciting opportunity to be part of a major player in Australian agribusiness.

Applicants may be required to undergo pre-employment medical and drug and alcohol testing.
